It is ridiculous that the TOA telephone line is not for all embuds — if necessary jointly supported. What may happen is that Carole just finds herself referring to UCOA —

You are right.

Pragmatic concern: It's hard to have a message under 1 minute for 71 org.

But we could propose adding

for info on UCOA, press 1

for info on USAO press 2

Q Lin at XYZ County College + mainly deal w. grade disputes. Where do I belong?

A. UCOA

Carole (in her 90 position) will attend UCOA? <sup>YES or her designee</sup>  
will have more info (1st hand)?

Only if the Board asks her to — will promote integration?  
— it's a big deal for her.
